Taxpayers Ask IRS

This column of questions and answers on federal home may be tax free if you tax matters is provided by the local office of the U.S. are 65 or over before the date of the sale and owned and used Internal Revenue Service and is published as a public the house as your principal service to taxpayers. The column answers questions most frequently asked by taxpayers.

The column answers questions the last eight years.

When these conditions are met, all the profit is tax free

Q) A fellow at the place where I work after school says I can stop income tax withholding on my pay if I want to. Is that right?

What might have happened is that the bill was issued before your payment had been processed and credited to your portionate part of the profit is taxable. holding on my pay if I want to. Is that right?

A) Yes, you may stop income tax withholding on your earnings if you owed no Federal income tax last year and expect to owe none this year. This is done by completing Form W4-E and giving it to your employer. If you earn less than \$1725 this year you won't have to pay tax.

Sessed and credited to your account.

Sometimes, however, payments are received that cannot be credited because there is insufficient information to identify the payment. This happens when the payment is received without an accompanying bill or notice and the payment is not identified by the taxpayer's social security number.

If the payment carries a solution of the profit is taxable.

For details in this and other benefits for taxpayers 65 and over, send a post card to your district office and ask for a free copy of Publication 554, Tax Benefits for Older Americans.

Q) I'm thinking of buying some shares of stock. Is there any advantage of putting the account in my wife's name as

Q) The \$70 payment I sent in several weeks ago was not deducted from the tax bill you sent me. What should I do?

number.

If the payment carries a social security number then it can be readily identified and credited to the taxpayer's account.

A) There are many considerations to be taken into account.
